

Activity Guidelines

Pune District Eco-Club Program

Under Mission LIFE | As per GR dated 09 February 2026

Pune Zilla Parishad – Education Department

1. Objective

To implement Mission LIFE goals at school level by conducting one environmental activity per month, ensuring 80% student participation and maintaining digital records for compliance.

2. Mandatory Monthly Activities

All Eco-Clubs in PMC, PCMC and rural taluka schools must conduct minimum 1 activity/month from the Mission LIFE themes below.

Month	Theme	Activity Examples	Compliance Evidence
Apr	Save Energy	Switch-off drive, LED audit, "Earth Hour" in school	Photo with timestamp, energy meter reading
May	Save Water	Tap leak audit, rainwater harvesting pit cleaning	Before/after photos, litres saved estimate
Jun	Reduce Waste	Wet-dry waste bins, compost pit, plastic-free day	Photo of segregation, compost pit photo
Jul	Sustainable Food	School nutrition garden, millet recipes in MDM	Garden photo, menu photo
Aug	Reduce E-waste	E-waste collection box, awareness poster drive	Photo of box, weight in kg
Sep	Healthy Lifestyle	Cycle-to-school day, 5000 steps challenge	Attendance, group photo
Oct	No Single Use Plastic	SUP audit, cloth/paper bag making	Audit sheet, bags distributed count
Nov	Tree Plantation	Native species: Neem, Peepal, Banyan, Jamun	GPS-tagged photo, survival certificate
Dec	Biodiversity	Bird water feeder, butterfly garden, campus species list	Checklist PDF, feeder photo
Jan	Cleanliness	Campus + 100m radius cleanup, wall painting	Before/after photos, kg waste collected
Feb	Water Bodies	Visit Mula-Mutha/Pavana/Indrayani, basic water testing	Test kit photo, group photo
Mar	Impact Report	Annual compilation of all activities	2-page PDF report submission

3. Participation & Documentation Rules

1. **Participation:** Minimum 80% of students from Std 6-10 must participate in each activity.
2. **Teacher In-charge:** Each school must appoint 1 nodal teacher. Name + phone to be updated in Mission LIFE Portal.
3. **Photo Evidence:** All activities must have 2 geo-tagged, timestamped photos uploaded. Use Mission LIFE mobile app if available.
4. **UDISE Mandatory:** Mention school UDISE code in all reports. No UDISE = report rejected.

4. Do's and Don'ts for Pune District

Do:

1. Plant native Pune species only: Vad, Pimpal, Kadamb, Karanj, Sitaphal
2. Coordinate with local RWA/SMC for community activities
3. Maintain a physical "Eco-Club Register" with activity photos
4. Focus on measurable impact: kg, litres, numbers, %

Don't:

1. Plant non-native species: Gulmohar, Nilgiri, Subabhul
2. Conduct activities without safety - no river visits during monsoon
3. Burn collected waste - hand over to PMC/PCMC only
4. Submit stock photos - will lead to non-compliance

5. Monthly Reporting Format

Submit via Mission LIFE Portal or email to ecoclub@punezp.gov.in:

School Name:

UDISE Code:

Month/Year:

Activity Title:

Mission LIFE Theme:

Date Conducted:

Students Participated: ____ / ____

Brief Description: [50-100 words]

Quantitative Impact: [e.g., 12 kg plastic collected]

Teacher In-charge: Name, Mobile

Photos Attached: Photo1.jpg, Photo2.jpg

6. Non-Compliance

Schools failing to submit 3 consecutive monthly reports will be marked “Eco-Club Inactive” and reported to BEO/DEO. Active status is required for govt scheme benefits.
